

Wavikar Eye Institute introduced path breaking Lenxex Laser Technology for the first time in Asia. Dr.C. M. Wavikar, Medical Director explained how cataract will turn into a bladeless procedure through this technology. On this occasion, Mr. Milind Ballal, Editor of Thanevaibhav inaugurated WEI News, the bi-monthly news letter of Wavikar Eye Institute. Dr. Vaishali Wavikar, Joint Director and Dr. Hrishikesh Tadwalkar, Associate Director guided the audiences regarding the new technology.

Ringling in the new

It's time to ring in the new in Mumbai, as the festivities surrounding Gudi Padwa come to the fore. The event, conceptualized by Vinayak Prabhu, had traditional celebrations at Tip Top Plaza, with the support of Dr Chandrashekhar Wavikar, Deepak Mejari, Rajesh Mejari, Shrikant Bapat, Umesh Rao and Deepak Bagav. The event saw a lot of attendees including Dr Mohan Agashe, Achyut Potdar, Kishor Pradhan, Ravi Patwardhan, Sunil Barve, Pooja Sawant, Anshumala Patil, Samira Gujar-Joshi, Sonia Parchure, Ravi Jadhav, Prachi Pisat, Padmaja Phenany-Joglekar, Jaswinder Singh, Guru Shri Kuldip Singh, Mukundraj Deo and Manali Deo. What was extra special about this event was the fact that this celebration supported a cause.
